MILWAUKEE[®] STEEL STORAGE

2022/23

THE ULTIMATE STEEL STORAGE RANGE

At MILWAUKEE®, we understand that for automotive professionals, efficiency, organisation and safety are the keys to success.

That is why we're proud to introduce our brand-new steel storage range. Our range consists of the 46"/117cm steel storage high-capacity chest and cabinet, the 40"/102cm steel work cart and the 30"/78cm steel rolling cabinet and top chest. Our MILWAUKEE® steel storage solutions are a perfect example of being a co-production with automotive professionals, as we strive to set new standards of quality, functionality and comfort.

To excel our steel storage system, we also have our growing variety of MILWAUKEE® foam inserts. Our foam inserts include essential automotive tools and accessories perfectly organised in a high-quality premium foam for superior tool management.

WHY MILWAUKEE® STEEL STORAGE?

BUILT-IN POWER CENTERS

Charge batteries, tools and devices directly on the unit.

INTEGRATED STORAGE SOLUTIONS

From built-in power tool organisers and storage compartments to work top drawers and peg boards.

ULTIMATE WORKSHOP DURABILITY

Industrial grade casters, corner bumpers and soft-close drawer protection are just a few of the features that result in an invincible construction.

46" / 117CM STEEL STORAGE CABINET

NEW

DESCRIPTION	ARTICLE NUMBER
46" / 117cm High-Capacity Steel Rolling Cabinet GB2 - Great Britain 240V	4932478853

DESCRIPTION	ARTICLE NUMBER
46" Steel Top Chest GB2 - Great Britain 240V	4932478855

ALSO AVAILABLE

DESCRIPTION	ARTICLE NUMBER
PVC Work Surface 46"	4932492547

FEATURES

PEG BOARD

Allows for easy access to most used tools and is compatible with standard euro hooks. Peg board comes with four euro hooks.

x2 BUILT-IN POWER CENTERS

Charge battery packs, tools and any electrical device directly on the cabinet. The power centers are magnetic, allowing them to be mounted anywhere on the steel storage solution.

WORK TOP DRAWER

Includes additional flap that provides a comfortable surface for making notes or when using a laptop. The flap can be lifted, allowing access to a full standard drawer for storage.

SIDE POWERTOOL HOLDER

Designed to accommodate most powertools, keeping them safely out of the way yet in easy access at the side of the cabinet. Holder is made from steel.

90KG RATED SOFT-CLOSE BOTTOM DRAWERS

Equipped with a double set of drawer slides to accommodate even the heaviest equipment.

x4 150MM INDUSTRIAL CASTERS

x2 fixed, x2 swivelling. Ensures the cabinet is easy to maneuver and stays stable. The wheels will leave no floor marking and are resistant to most common lubricants

PAPER ROLL HOLDER

Holds paper roll. Made from steel for jobsite durability.

ANTI-THEFT SAFETY DRAWER

Can be locked independently and is ideal for keeping valuables and personal goods secured while working.

SOLID USER-FRIENDLY HANDLE

Provides more control as you move the cabinet around the jobsite.

PRE-DRILLED MOUNTING HOLES

Allows two of any MILWAUKEE® M12™ or M18™ battery chargers to be mounted to the cabinet.

x8 45KG RATED SOFT-CLOSE DRAWERS

Prevents the drawers from being shut too abruptly and keeps all contents in place.

FOLDING STEEL SHELF

Perfect for storing any type of bottle and spray.

POWERTOOLS & BATTERIES ORGANISER

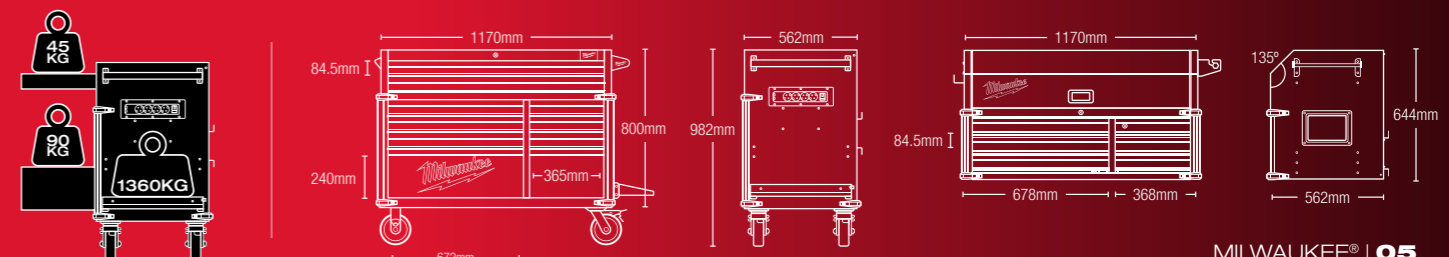

Neatly stores and protects your impact drivers, impact wrenches and batteries.

30" / 78CM STEEL ROLLING CABINET

NEW

DESCRIPTION	ARTICLE NUMBER
30" / 78cm Steel Rolling Cabinet GB2 - Great Britain 240V	4932478851

DESCRIPTION	ARTICLE NUMBER
30" / 78cm Steel Top Chest	4932478850

FEATURES

OPEN-END LID
For additional storage space and quick access to tools.

SMOOTH, EASY TO CLEAN ABS WORKTOP
Features an elevated ABS rim that strengthens the core of the storage unit and prevents tools placed on the surface from falling or rolling off.

ABS, SHOCK ABSORBING CORNER BUMPERS
Rounded design minimises the chance of injuries and damage to surrounding objects on the jobsite.

SIDE PEG BOARD
Allows for easy access to most used tools and is compatible with standard euro hooks. Peg board comes with four euro hooks.

MOVABLE SHELF
Can be placed at any height on the peg board and is divided into three compartments for storing smaller equipment such as nuts and bolts.

90KG RATED SOFT-CLOSE BOTTOM DRAWER
Equipped with a double set of drawer slides to accommodate even the heaviest equipment.

x4 HIGH-QUALITY 125MM INDUSTRIAL CASTERS
x2 fixed, x2 swivelling with breaks, which not only guarantees great stability but also makes the cabinet very maneuverable.

ANTI-TILT PROTECTION
For extra safety, all drawers feature Anti-tilt protection to prevent all draws opening at once and provides greater stability to the cabinet especially when moved around the jobsite.

BUILT IN STORAGE COMPARTMENTS
Placed around the edge of the worktop for fast access to hand tools like screwdrivers as well as accessories like screws and nuts.

SOLID USER-FRIENDLY HANDLE
Provides comfortable control when cabinet is moved around the jobsite.

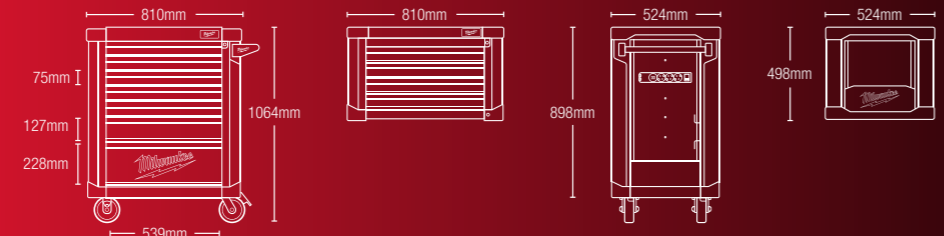

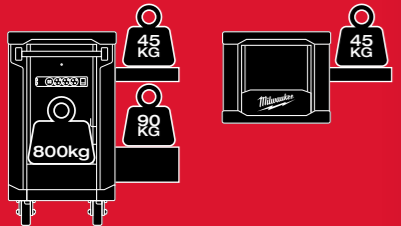

IN-BUILT POWER CENTRE
Charge battery packs, tools and any electrical device directly on the rolling cabinet. The power centers are magnetic, allowing them to be mounted anywhere on the steel storage solution.

SIDE PRE-DRILLED MOUNTING SCREWS
Allows two of any MILWAUKEE® M12™ or M18™ battery chargers to be mounted to the cabinet.

x7 PREMIUM 45KG RATED, SOFT-CLOSE DRAWERS
Prevents the drawers from being shut too abruptly and keeps all contents in place.

INTEGRATED BOTTLE STORAGE SHELVES
Guarantees quick access to needed bottles and sprays.

POWERTOOL AND BATTERY ORGANISER
Neatly stores and protects your impact drivers, impact wrenches and battery packs.

40" / 102CM STEEL WORK CART

NEW

DESCRIPTION	ARTICLE NUMBER
40" / 102cm Steel Work CartGB2 - Great Britain 240V	4932478857

FEATURES

BUILT-IN INTERCHANGEABLE STORAGE COMPARTMENTS

Includes three solid storage compartments and two interchangeable cups that can be flipped to create a flat surface for more workspace or removed completely to transport long vertical items such as metal rods.

CONVENIENT WORK HEIGHT

Height of the work cart is 91cm. Promoting a strain-free working stance.

SOLID USER-FRIENDLY HANDLE

Provides comfortable control when cabinet is moved around the jobsite.

BUILT-IN POWER CENTRE

Keep devices and tools close by charging them directly on the cart. The power centre is magnetic so it can be attached anywhere on the cart.

ADJUSTABLE STORAGE BAR

Perfect for holding paper towels and spools of wire.

SIDE PRE-DRILLED MOUNTING SCREWS

Allows two of any MILWAUKEE® M12™ or M18™ battery chargers to be mounted to the cabinet.

22KG RATED FOLDABLE REAR SHELF

Provides additional workspace when needed.

V-GROOVES

Holds materials when cutting or measuring.

LOCKABLE 45KG RATED SOFT-CLOSE DRAWER

Prevents the drawers from being shut too abruptly and keeps all contents in place.

X2 MULTI-POSITION UTILITY SHELVES

Shelves can be mounted at different heights on the side of the cart and are perfect for storing bottles, sprays and accessories.

90KG RATED SLIDING BOTTOM SHELF

For easier access to bulky equipment such as large PACKOUT™ boxes full of tools.

RUBBER BUMPERS

All four corners have been equipped with rubber bumpers to protect against any accidental collision on the jobsite.

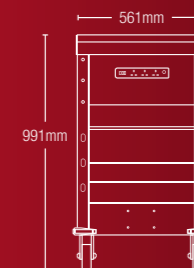

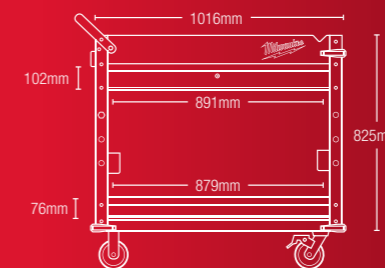

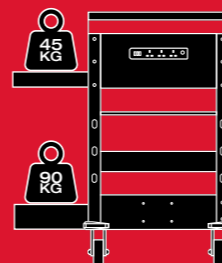

HIGH-QUALITY 125MM INDUSTRIAL CASTERS

x2 fixed wheels and x2 swivelling wheels with breaks, which not only guarantees great stability but also makes the cabinet very maneuverable.
