

Nothing but **HEAVY DUTY.**[™]

**EMBARGO UNTIL -
SEPTEMBER 2017**

Milwaukee[®] Introduces the NEW 15 GA M18 FUEL[™] Finish Nailer.

Milwaukee Tool continues to expand their M18[™] nailer range with the introduction of the new M18 FUEL[™] 15 GA Finish Nailer.

THE NEW M18 FUEL[™] FINISH NAILER IS EQUIPPED WITH THE POWER TO CONSISTENTLY SEAT NAILS SUB-FLUSH TO HARDWOOD SURFACES WITH NO RAMP-UP TIME AND NO GAS CARTRIDGES.

By combining three exclusive innovations - the POWERSTATE[™] brushless motor, REDLITHIUM-ION[™] battery pack and REDLINK PLUS[™] intelligence - the new M18 FUEL[™] Finish Nailer delivers breakthrough performance, low maintenance and can drive up to 700 nails per charge on a 2.0 Ah battery.

With best-in-class power, the M18 FUEL[™] Finish Nailer is able to consistently seat nails sub-flush to material surface in hardwoods, and feature "Ready to Fire Technology" which

“
The M18 FUEL[™]
15 GA Nailer can
drive up to 700
nails per charge
on a M18[™] 2.0 Ah
battery pack. ”

Nothing but **HEAVY DUTY**.™

completely eliminates ramp- up time. A faster nail rate not only delivers faster nail fires, but quick and accurate nail placement.

With no gas cartridges, a POWERSTATE™ brushless motor and no cleaning required, the new tool is designed to deliver durability and reliability to the most demanding users with very little maintenance. Coupled with the fact that the tools fire up to 700 nails on a single 2.0 Ah battery pack, the user will reduce downtime and maximise productivity.

With a balanced and ergonomic design featuring reduced size and tool length, the user will also experience a better balance, feel and overall performance than competitive tools on the market today.

Available in September of 2017, the new M18 FUEL™ Finish Nailers is a great addition to the existing nailer range and M18™ system, now offering more than 100 power tool products.

* M18 FUEL™ is engineered for the most demanding tradesmen in the world. Delivering unrivaled performance, all M18 FUEL™ products feature three Milwaukee®-exclusive innovations - the POWERSTATE™ brushless motor, REDLITHIUM-ION™ battery pack and REDLINK PLUS™ intelligence hardware and software - that deliver unmatched power, run-time and durability on the jobsite. Simply put, M18 FUEL™ tools are the most powerful 18V cordless tools in their class.

NOTES TO EDITORS

Milwaukee® Tool is an industry-leading manufacturer of heavy-duty power tools, accessories and hand tools for professional users worldwide. Since the company began in 1924, Milwaukee® Tool has led the industry in both durability and performance. With an unwavering commitment to the trades, Milwaukee® continues to lead with a focus on providing innovative, trade-specific solutions.

MILWAUKEE® QUALITY

Quality is our highest priority. Starting with an understanding of the professional power tool user's needs, quality is shaped through the design of superior products, components and processes and is extended through the use of high-grade materials, supplies and stringent in-house/field testing.

The process is completed with the delivery of heavy-duty power tools and accessories that professional users need and demand. Quality has built Milwaukee®'s reputation since 1924, and continues to be the driving force behind its growth.
